

Three Rivers Cub Scout Leaders:

Now is an excellent time to plan a Spring Cub Scout Recruitment event in your area schools! There are a lot of Kindergarten boys who can join Cub Scouts now and enjoy Day Camp and other Cub Family outings.

I have heard from a number of Cub Leaders who have already lined up a school rally and scheduled a Cub Open House. I have already spoken to several principals and they have been receptive to have us do a rally in their schools during the next 4 weeks. I will provide all the flyers you need, I will conduct rallies at the schools (if you don't have someone who can do so from the Pack) and I will support you "every step of the way" in recruiting new Cubs to your Packs. Simply let me know your plans and needs and I will assist you.

I have included a "sample" Spring Recruitment Flyer for you to review (that Pack 14 has assembled) to give you an idea what they are doing to recruit Cubs to their Pack. Don't forget "Home School" schools and groups. These parents are usually looking for a good, active, character -building program to get their children involved in.

Please let me know as soon as, so I that I can assist you in lining up and conducting a Spring Cub Recruitment Event in your area! Thanks all.

(please forward this to anyone that you may think of that I may have not included in the distribution list)
